O R D E R

On July 3, 1996, GTE Mobilnet of Kentucky Incorporated ("GTE Mobilnet") filed a motion requesting dismissal of its application in this matter. As ground for its motion, GTE Mobilnet states that it has entered into an agreement with BellSouth Mobility to co-locate GTE Mobilnet's antenna and related equipment on the cellular facility to be constructed and operated by BellSouth Mobility near Eminence, Kentucky. As a result, GTE Mobilnet states it is not necessary to proceed with the subject application.

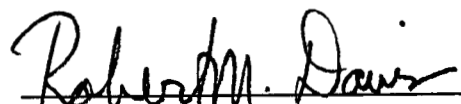

Good cause having been shown and being otherwise sufficiently advised, the Commission HEREBY ORDERS that GTE Mobilnet's motion is granted and this case shall be removed from the Commission's docket.

Done at Frankfort, Kentucky, this 10th day of July, 1996.
